Publication Guidelines for Publishing with PTUKRJ

INTRODUCTION

Palestine Technical University-Kadoorie Research Journal is a multi-disciplinary journal accepting original research papers, short communications and reviews written in Arabic or English. Papers must be well written without grammatic or language mistakes. Also, papers must be original and add value in the field of research of the authors.

MANUSCRIPT PREPARATION

Authors should use the journal templates **(Article Template - English or Article Template - Arabic)** without changing the format. The articles should be written in the following style

1- Title: in Arabic and English, Authors names and affiliations and the email of the corresponding author
2- Abstract: not more than 250 words in Arabic and English stating the objective of the study, Methods used, results and recommendation. No citation or statistical analysis should be mentioned in the abstract
3- Keywords: 3-5 words to allow others find the work on search engines. The key words should be mentioned in the title of the article
4- Article structure
   - Introduction: state the subject of the article, problem, hypothesis and objectives. Detailed literature review and results are not included in the introduction
   - Literature review: should explain the added value of the manuscript
   - Material and Methods: provide details on how was the work done to allow others to reproduce them. Published methods must be Citated.
   - Results: should be concise and clear

- and discussion: explains the importance of the results and not repeating them. Results and discussion can be combined under one heading.
- Conclusion

5- Tables: must be placed next to their relevant text. Tables must be numbered according to their appearance in the text. Tables must be submitted as editable text not as images. Title of the table is written above it and notes are placed under the table. Use Sakkal Majala font size 11 in the table and 10 in the notes.
6- Table number and title are written in embedded in the table
7- No side or internal borders of tables
8- Figures are placed next to their appearance in the text. Captions and numbers of figure are written under the figures. Font sizes of captions and notes are 11 and 10, respectively.
9- Use Arabic numbers (1,2,3…)
10- Line spacing is single
11- Page margins: 1" top and bottom, 1.5" right and left
12- Use Sakkal Majala Font in all manuscript parts
13- Font sizes:
    - Title : 14 bold
    - Authors 12 bld
    - Authors affiliations 10 bold
    - Main headings 14 bold
    - Subheadings 12 bold
    - Text 12 normal
14- Main heading are written upper case and sub headings are written lower case
